IGY NEWS RELEASE 26 January 2012

IGY Rodney Bay Marina encourages Youth employment
 As part of the marina's commitment to initiatives geared towards youth development, the Maintenance & Marketing departments opened the marina's car park on 26 January 2012, facilitating a fundraising car wash in support of the LucianAid's Foundation Youth Employment Program. The group was afforded the opportunity to freely use the facilities which included access to water to help carry out the fundraiser. Thank you to the taxi drivers at the Marina who ensured we had a great start as well as the Management & staff of the IGY Rodney Bay Marina.
